Returning TOR RFC Members

If you, or your child, has previously been a member of Tor RFC, then you will need to log in to the GMS website to complete payment.

If you do not know your log in username (most members!), then simply select 'forgot password', enter your email address and the RFU will email you a password reset link.

This will allow you to log into the RFU Game Management System (GMS) and complete the purchase by taking you to the 'Buy Membership' page.

If the adult's record associated with the child does not contain a Date of Birth, please can you add it to the profile. This can be done by clicking on the pencil icon in the top right hand corner. This is required in order for the option to update the child's details (Update Family Registration) to appear, even if adult is already linked to child. This is required in order for the system to present the correct membership options.

Select the child or children you wish to renew the membership for and select the membership required for that child (Minis&Juniors U5-U6, or Minis&JuniorsU7-U14)

The screenshot shows the 'Buy Membership' page on the RFU website. The page header includes the RFU logo and the text 'The Tor RFC'. Below the header, there are four buttons: 'Add New Adult', 'Add New Youth', 'Checkout', and 'Cancel'. The main content area displays two membership options:

Membership Type	Price
Minis&Juniors U5-U6	£25.00
Minis&Juniors U7-U14	£50.00

For the U5-U6 membership, the details are: Duration: 1 YEAR, Join Date: 01/09/2018, Renewal Date: 01/09/2019. The description states: 'For children in U5 (Reception) and U6 (Year 1). These children do not play matches and so have fewer sessions than older children. Junior Playing'.

For the U7-U14 membership, the details are: Duration: 1 YEAR, Join Date: 01/09/2018, Renewal Date: 01/09/2019. The description states: 'Membership for children in U7 (School year 2) and above. Junior Playing'.

This will add the membership to your basket.

You can either select the green 'Checkout' button, or if you wish to register a new child, select 'Add New Youth' and enter their details.

You can then pay either my VISA or MASTERCARD, or select the option to pay by Direct Debit.

You will then receive a confirmation email from the club confirming that payment has been taken successfully.

If you have any difficulties, please contact Stuart at stuart.clowes@gmail.com who will be able to help.
